Product detail page

Each product on Unite is described on a product detail page that usually includes information such as product number, brand, manufacturer number, EAN, images, product features, and product data sheets, as well as conditions, e.g. delivery time and available stock. Learn how to find the best offers, compare offers, check stock levels and shipping costs, view return policies and buy compatible accessories.

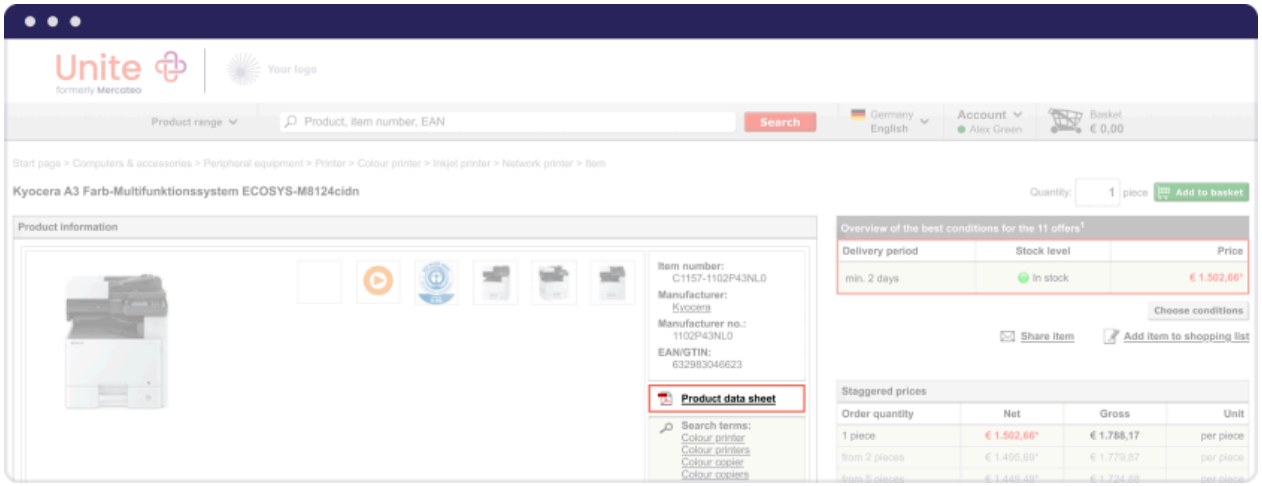

Overview of the product detail page

Click on the item you're interested in buying to open the product detail page. Depending on the product, this information may include the manufacturer, images, EAN/GTIN, product features, specifications and other technical information.

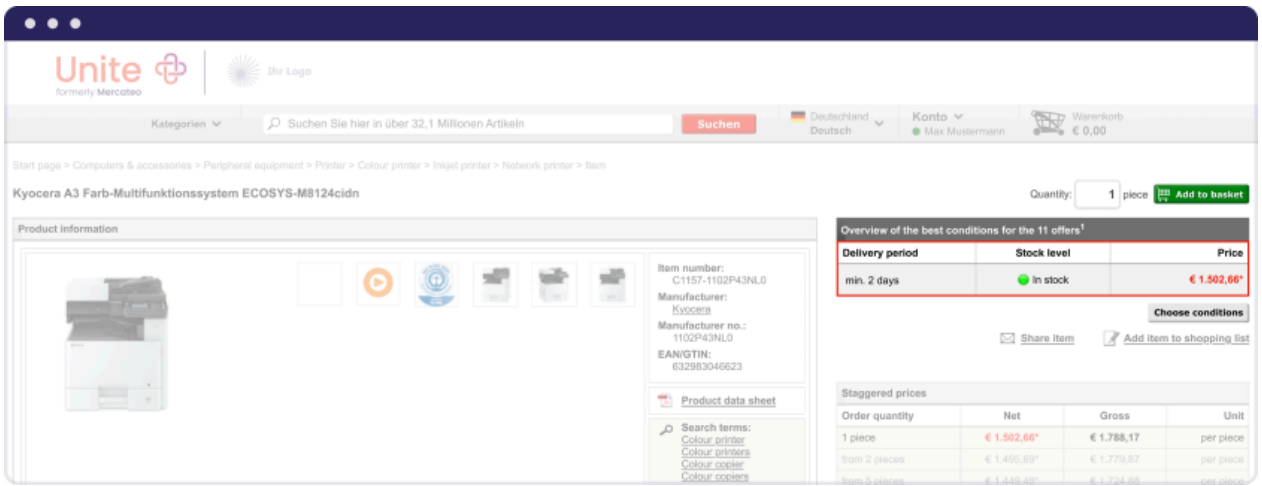

Product data sheets

Some product detail pages also have a product data sheet and safety data sheet in a downloadable PDF document.

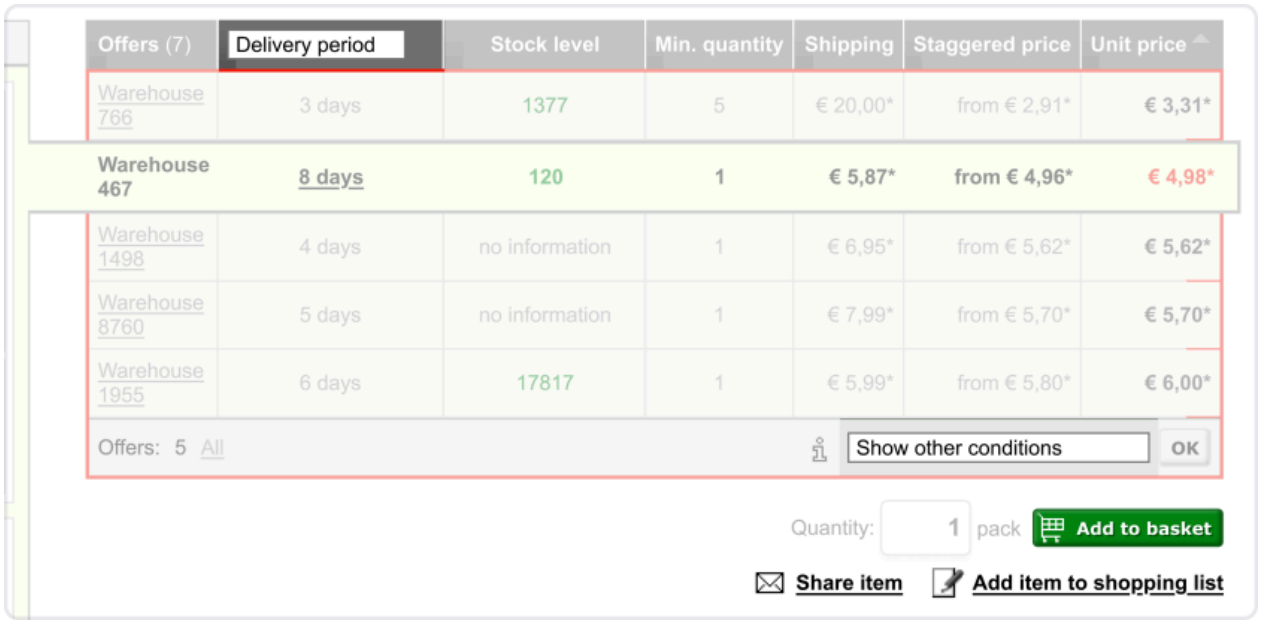

How to find the best offers

For some products, you'll see an overview of the best possible conditions for the item you've selected, including delivery period, stock level and price.

If available, click the 'Choose conditions' button, which will show you a list of all offers from various suppliers. The best offer will be listed at the top.

How to compare offers

In the offers table, select ‘Delivery period’ to narrow down results in terms of delivery period.

Select ‘Show other conditions’ if you want to view/hide minimum order values and return conditions from the table. The availability of this is dependent on the information provided by the supplier.

How to share an item or add an item to a shopping list

In the offers table, select ‘Share item’ to share the product via email.

Select ‘Add item to shopping list’ to add the product to one of your shopping lists. From here you can also create a new shopping list.
