

## Managing cost centres and cost types

In this section you'll learn how to manage cost centres and cost types, including creating, uploading, assigning, renaming and deleting them.

### How to create or upload a new cost centre

Sign in to your account and go to the tab '[Cost centres](#)'.

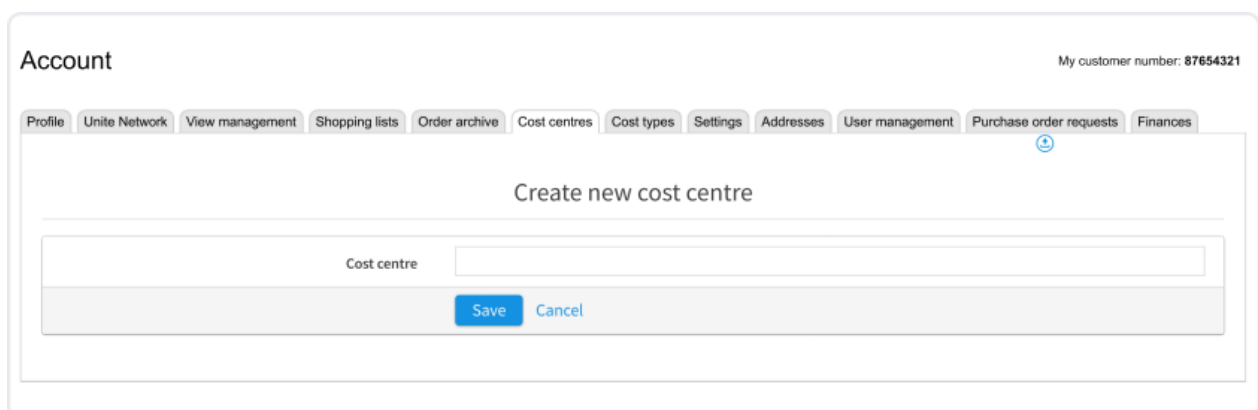

Click on 'Create new cost centre'. Enter a name for your cost centre and click 'Save'.

To upload multiple cost centres at once, select 'Upload cost centres'. This will open a window that displays saved documents on your device or computer. Now upload the document as an Excel file (.xls or .xlsx) or Text file (.txt).

### How to create or upload a new cost type

Sign in to your account and go to the tab '[Cost types](#)'.

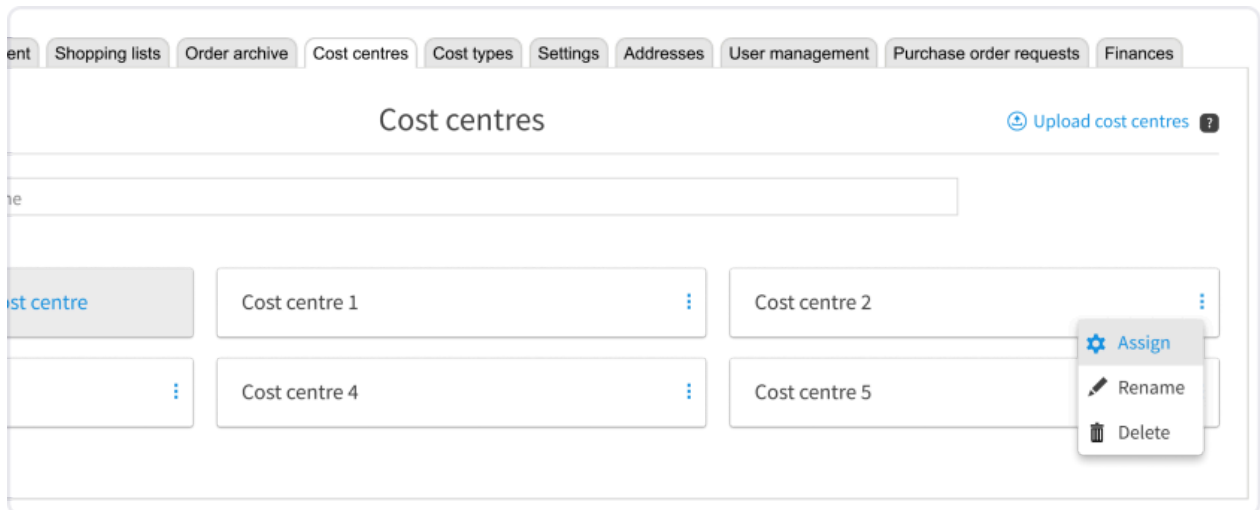

Click on 'Create new cost type'. Enter a name for your cost type and click 'Save'.

To upload multiple cost types at once, select 'Upload cost types'. This will open a window that displays saved documents on your device or computer. Now upload the document as an Excel file (.xls or .xlsx) or Text file (.txt).

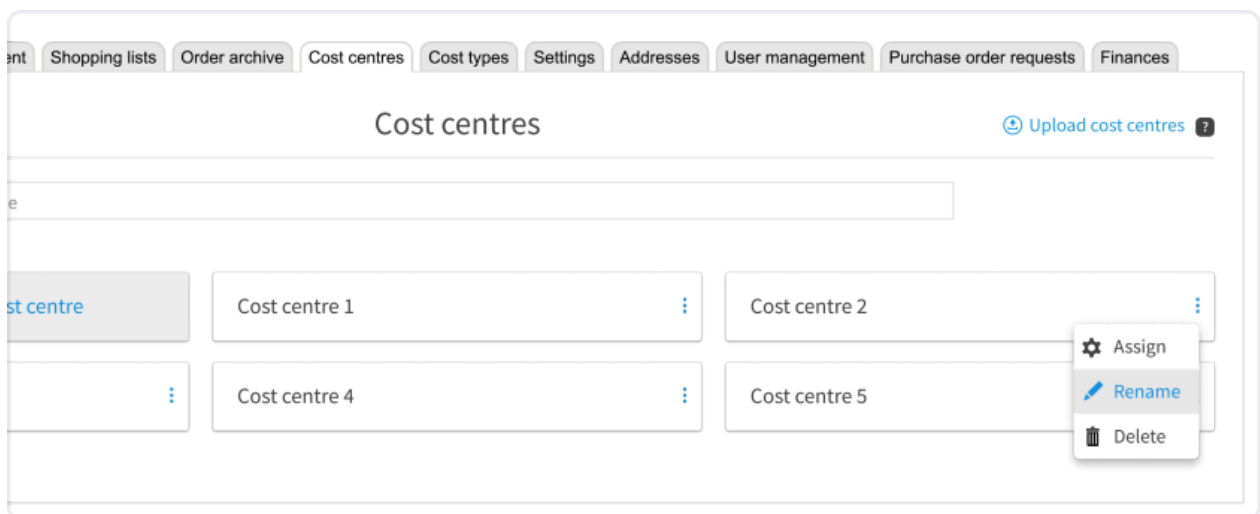

### How to assign, rename and delete cost centres and cost types

Go to cost centres/types, click on the three blue dots next to the name of the cost centre/type you wish to assign.

Select 'Assign' and then add or delete the relevant user.

To rename the cost centre/type, click on the three blue dots next to the name of the cost centre/type you want to rename.

Select 'Rename', enter a new name and click 'Save'.

To delete a cost centre/type, click on the three blue dots next to the name of the cost centre/type you want to remove. Click on 'Delete'.

## How to make cost centre and cost types mandatory with orders

Go to '[Settings](#)' in your account profile.

Here you can select if you want cost centres and cost types to be mandatory with each order. Click 'Save' when you've made your selection.
