

Shipping and delivery

In this article you'll learn how Unite's shipping process works, including delivery times, delivery addresses, and shipping costs. We also provide answers to frequently asked questions.

How the shipping process works

Order receipt confirmation and shipping confirmation

After your order is received, we'll send you an order receipt email with your Unite order number. We'll then transfer your order to the relevant suppliers. If provided by the supplier, a further email will follow containing the estimated delivery date for each item. It may also contain tracking information, if available.

First email: Order receipt confirmation with your Unite order number

Your customer number: 987654321

Hi Mia Johnson,

Thank you for your order **123456789** on 11.10.2025.

The screenshot shows the Unite website interface. At the top, there is a navigation bar with the Unite logo (formerly Mercateo), a search bar, and account information. The main content area is divided into several sections:

- Product Information:** Shows the product name 'Brother BP60PA3 printing' and a bar chart titled 'Overview: delivery period statistics of 2380 South East MK9'. The chart shows delivery periods in working days (1 to 13) with percentages. The real delivery period is 2 days, and the supplier's promised delivery period is 3 days.
- Offers Table:** A table listing various offers for the product. The first offer is highlighted in green, showing a 1-day delivery period, 6 sheets per ream, and a unit price of € 7.81*.
- Price Table:** A table showing the net and gross prices for different order quantities. For 1 ream, the net price is € 7.81* and the gross price is € 9.37.

Note: Choose the delivery option you prefer or use the Smart Basket feature to get the best combination of best price, fastest delivery time and fewest deliveries.

Delivery addresses

In the order preview, you'll have the option to specify a delivery address. For more information on how to add and manage delivery addresses, go to our profile and account management page.

Delivery to a collection point or PO box address

Unfortunately, it's not possible to have your order delivered to a collection point or to a post office box.

Deliveries outside your country

Unite processes deliveries only within the same country and does not offer cross-border shipping. For orders outside your country, please visit the Unite website for the destination country, where you can find products available for that region.

If your order includes items from multiple suppliers, shipping costs may be calculated separately for each one.

Frequently asked questions

I haven't received an email with delivery details. What can I do?

It's possible that the email has been blocked by your spam filter. Try checking your spam or junk folder and, if necessary, contact your IT department to adjust your spam filter settings to receive emails from Unite.

It's also possible that the supplier hasn't sent us a shipping confirmation, in which case you can contact our customer service to follow up. We'll need your order number and customer number to process your query.

How can I track my order?

If the supplier provides a tracking number, you'll receive a shipping confirmation email containing delivery details.

For markets outside Germany:

Please contact our customer service to follow up. We'll need your order number and customer number to process your query.

There wasn't anyone available when the courier arrived, what now?

The courier will deliver the order to your chosen delivery address. If no one is present, you'll receive a notification from the courier with further information and instructions.

My order wasn't delivered within the expected delivery time, what should I do?

Don't worry, we'll take care of it. Please contact our customer service or [complete a delivery date request form](#).

You can help prevent delays by addressing the following:

- **Missing phone number:** Please provide an onsite contact number which will be answered during business hours.
 - **Outstanding advance payments:** If you've selected prepayment as your payment method, the goods will not be dispatched until payment has been received. You can change your payment method in your account settings.
 - **Delivery addresses:** Check the address you've entered. Is it correct and courier friendly?
 - **Delivery attempts:** Be available in the courier's delivery window to receive your order.
-

Why haven't I received all items of my order?

It's possible that not all items will be shipped on the same day. If provided by the supplier, a shipping confirmation with delivery information for each item will be emailed to you.

If you haven't received all the items or the correct quantity by the respective delivery dates, please follow our returns procedure.

How do I log a return or claim?

Access the first email you received from Unite with your order number. Click on the 'return or replace items' link and fill out the form.

Or you can access your account and go to the order in the '[Order archive](#)' tab. Go to the relevant order. Under the 'Action' column, you'll find a curved arrow. Click on the arrow for the relevant order and fill out the returns form.

For more detailed information on Unite's return procedure, [go to our returns and claims page](#).
