

## Profile and account management

Welcome to your user account. In this section you'll learn how to register and sign in, how to update your profile, how to change your password, how to delete or deactivate your account and how to set up substitutes in your absence.

### Who can register on Unite

Unite is exclusively for enterprises, freelancers, public sector companies, associations, foundations and non-profit organisations. As such, we require proof of business licenses when placing your first order. This step ensures that only credible and verified partners trade on our platform, protecting both you and Unite.

When you place your first order, we will verify your business status. In case further proof like a business registration certificate, trade licence, or tax ID (for freelancers) is needed, we'll contact you.

### How to register on Unite

Set up an account with Unite in a few steps:

1. Go to our [registration page](#).
2. Complete all the required fields.
3. Please tick the box that confirm you're registering on behalf of a business or public sector company.
4. Click on 'Register now'.
5. You'll receive an email to confirm your email address.
6. Then, you'll receive a confirmation email with your username and customer number.

### How to sign in to your account

Once registered, you'll be able to sign in and out of your Unite account.

- **Signing in:** Go to the [Unite login page](#). Enter your username and password. Click on 'Sign in'.
- **Failed login:** Check if your username and password are entered correctly. If you're still unable to sign in or have forgotten your login details, click on 'Forgotten your password?'. Enter your email address and you'll receive an email with your username and a link to reset your password.

### How to update your profile information

- Go to [Profile](#) to view your personal details.
- Click 'Edit profile' to change your title, name, email address and phone number. Click 'Save' when you're done.

### How to change your password

<p>Login</p>	<p><a href="#">Change password</a></p>
<p>mia.johnson@company-b.com</p>	

Go to [Profile](#) and click on 'Change password'. Enter your email address and click on 'Send'. You'll receive an email with your username and a link to reset your password.

## How to deactivate your account

To deactivate your account, please contact Unite's customer service via [email](#) or by phone on +44 (0)20 3376 7963 789. Please note that your data, such as shopping lists and order archives, will be lost and cannot be restored. Please include the reason for the deactivation, so we can continue to improve our services.

## How to set up substitutes in your absence

In case of illness or extended leave, you can add a representative who can approve order requests on your behalf.

ts	Order archive	Cost centres	Cost types	Settings	Addresses	User management	Purchase order requests	Finances
Profile								
<p><a href="#">Edit profile</a></p>			<p><b>Absence management</b> <a href="#">Set up absence management</a></p>					
<p>No absence management established.</p>								

- Go to [Profile](#) and click on 'Set up absence management'.
- Select the user and click 'Save'.
- The representative will be automatically informed.
- To remove a user, click on 'End absence management'. The user won't be automatically informed.

Please note: All users in your account can be designated as representatives in your absence, but the right to approve your orders in your absence can't be passed on from your representative to a third party. For details on how to manage users and approvals, [see our guide to user management and approval workflows](#).
