***Important note**
The conditions given here are the best possible conditions for this product. The conditions that can actually be achieved may differ.

Why is this?
Unite purchases goods from various warehouses, each with different benefits:

- A warehouse has everything available, although it is more expensive than others for example.
- A second warehouse supplies at low prices, but may be somewhat slower.
- A third warehouse supplies small amounts, but at higher shipping costs.
- A fourth warehouse has large quantities at low prices, although higher minimum order values.
- etc.

Advantageous to you
Unite automatically finds the most suitable suppliers every time you update your item selection. You can also customise your basket by selecting specific preferences, such as faster delivery times or lower prices.

The final conditions (such as price, delivery period and shipping costs) can only be displayed in the basket.

The order value and corresponding shipping costs are displayed under 'Shipping'.
